CLEVER PROTECTIVE COVERS

Cunningham specialises in the design and manufacture of custom textile covers that protect from the elements. Every project we undertake is entirely bespoke, each job benefits from our wealth of expertise and our meticulous attention to detail.

We don't make products, we make clever protective covers that are tailored to suit your specific needs.

- Factory partitions
- Reservoir baffle curtains
- Storage
- Curing blankets
- PVC strips
- Trolley covers
- Machine covers
- Loading shelters
- Wash down covers
